NOW IS THE TIME TO LET YOUR ONTRACTS BEFORE THE SPRING RUSH.

Let us make you a price, we are not building the best houses in town, but as good as any and better than many; we are always glad to show you our work and let you be the judge, as there are several buildings in town of our design that we have not built, we will ask you to be sure that we are building the house that you see before you either give us the credit, or condemn our work. We have been fortunate enough through all this bad weather not to have any buildings to crack or fall down; but as last summer was not our first experience, might be that would account for it

We are not overlooking any business in the real estate line, and have men and rigs ready to show you a large list of good bargains, some of which are cheap-er than any one can build for; so don't forget the number.

The wonderful voice of Alice Spriggs has won for her the title of "The Black Patti" at police headquarters. She is said to be the only woman in Sait Lake who can stand at the window of the city jall and make herself heard at the Saitair payillon. Critics pronounce her technique remarkable and her improvisations unsurpassed for tone and expression. The only fault to be found was with her time and Judge Diehl remedied that by giving her ninety days. She began her last performance at the corner of Commercial street and Second South about \$5.30 Monday evening and soon had one of the largest crowds of the season in attendance. Sorgt Hempel formed one of the audience. Alice was absorbed in her music—in fact she was simply carried away with it and found herself at the city jail, where she passed the night in the drunkhouse. In court, when the officer testified that she had used obscene language. Alice seemed greatly surprised and shocked.
